Haitian TPS

**Centro Comunitario CEUS
is offering immigration legal
services to the Haitians filing for
Temporary Protected Status (TPS).**

After the earthquake in Haiti, U.S.
immigration authorities created a TPS program for
undocumented Haitians who arrived in the U.S.
before Jan. 12, 2010.

If you are eligible, CEUS will help file your
application for a temporary permit
that will enable you to work legally in the U.S.

CEUS is a Union City, NJ-based non-profit organization that organizes, educates and empowers the immigrant community in Hudson County, NJ. We are registered as a 501c3 tax exempt organization with the US IRS and have worked with TPS applicants for five years, handling thousands of TPS cases for Central Americans. We provide after application service to ensure your work permit is issued. All our applications are handled by an attorney.

**File your case with a trusted agency that
works to improve the community.**
